Planning Policy Committee

A meeting of the Planning Policy Committee will be held at the The Guildhall, St Giles Street, Northampton, NN1 1DE on Wednesday 22 November 2023 at 6.00 pm

Agenda

1.	Apologies for Absence and Notification of Substitute Members				
2.	Declarations of Interest				
	Members are asked to declare any interest and the nature of that interest which they may have in any of the items under consideration at this meeting.				
3.	Minutes (Pages 5 - 10)				
	To approve the minutes of the meeting held on 20 th September 2023.				
4.	Chair's Announcements				
	To receive communications from the Chair.				
5.	Arthingworth Neighbourhood Development Plan (Pages 11 - 64)				
6.	Urgent Business				
	The Chair to advise whether they have agreed to any items of urgent business being admitted to the agenda.				
7.	Exclusion of the Press and Public				
	In respect of the following items the Chairman may move the resolution set out below, on the grounds that if the public were present it would be likely that exempt information (information regarded as private for the purposes of the Local Government Act 1972) would be disclosed to them: The Committee is requested to resolve: "That under Section 100A of the Local Government Act 1972, the public be excluded from the meeting for the following item(s) of business on the grounds that if				

the public were present it would be likely that exempt information under Part 1 of Schedule 12A to the Act of the descriptions against each item would be disclosed to them"

Catherine Whitehead Proper Officer 14 November 2023

Planning Policy Committee Members:

Councillor Rebecca Breese (Chair) Councillor Matt Golby (Vice-Chair)

Councillor Adam Brown Councillor Phil Bignell

Councillor Stephen Clarke Councillor Jonathan Harris

Councillor Jamie Lane Councillor Bob Purser

Councillor Cathrine Russell

Information about this Agenda

Apologies for Absence

Apologies for absence and the appointment of substitute Members should be notified to democraticservices@westnorthants.gov.uk prior to the start of the meeting.

Declarations of Interest

Members are asked to declare interests at item 2 on the agenda or if arriving after the start of the meeting, at the start of the relevant agenda item

Local Government and Finance Act 1992 – Budget Setting, Contracts & Supplementary Estimates

Members are reminded that any member who is two months in arrears with Council Tax must declare that fact and may speak but not vote on any decision which involves budget setting, extending or agreeing contracts or incurring expenditure not provided for in the agreed budget for a given year and could affect calculations on the level of Council Tax.

Evacuation Procedure

If a continuous fire alarm sounds you must evacuate the building via the nearest available fire exit. Members and visitors should proceed to the assembly area as directed by Democratic Services staff and await further instructions.

Access to Meetings

If you have any special requirements (such as a large print version of these papers or special access facilities) please contact the officer named below, giving as much notice as possible before the meeting.

Mobile Phones

Please ensure that any device is switched to silent operation or switched off.

Queries Regarding this Agenda

If you have any queries about this agenda please contact Ed Bostock, Democratic Services via the following:

Email: democraticservices@westnorthants.gov.uk

Or by writing to:

West Northamptonshire Council The Guildhall St Giles Street Northampton NN1 1DE

Planning Policy Committee

Minutes of a meeting of the Planning Policy Committee held at The Guildhall, St Giles Street, Northampton, NN1 1DE on Wednesday 20 September 2023 at 6.00 pm.

Present:

Councillor Rebecca Breese (Chair)
Councillor Matt Golby (Vice-Chair)
Councillor Adam Brown
Councillor Stephen Clarke
Councillor Jonathan Harris
Councillor Bob Purser
Councillor Cathrine Russell
Councillor Kevin Parker

Apologies for Absence:

Councillor Phil Bignell Councillor Jamie Lane

Officers:

Stephanie Gibrat (Assistant Director – Planning and Development)
Alan Munn (Planning Policy Team Leader)
Rhian Morgan (Historic Environment Officer)
Anna Wilson (Built Environment Officer)
Theresa Boyd (Planning Solicitor)
Ed Bostock (Democratic Services Officer)

80. **Declarations of Interest**

None advised.

81. Minutes

The minutes of the meeting held on 26 June 2023 were agreed and signed by the Chair.

82. Chair's Announcements

None advised.

83. Holdenby Conservation Area

The Built Environment Officer presented the report which sought Members' consideration of the responses to the consultation exercise on the draft Holdenby Conservation Area Appraisal and Management Plan and further steps to implement

the outcomes. 18 responses to the consultation were received, the majority of which disagreed with the proposals to extend the boundary of the conservation area and proposals for an Article 4(1) Direction, on the grounds that it was already part of the Grade I Registered Park and Garden designation (RPG) and, therefore, already protected. However, RPG status did not bring with it any specific statutory planning controls, either for the area as a whole or the individual historic/archaeological features within it. Including the proposed extension within the conservation area, with an adopted appraisal and management plan that describes those attributes in detail, would add weight to the significance of the parcel of land should any development be proposed in the future. Including the small area of the existing RPG designation within the conservation area would also be in line with the approach the Council had taken with other recent reviews of conservation areas.

Members discussed the report and the following comments were made:

- A consultation on proposals for an Article 4 Direction would take place towards the end of 2024.
- Some Members felt that it would be unwise not to listen to the consultation responses; due to Holdenby's uniqueness, a different approach may be justified.
- Officers advised that if the recommendation was not taken forward, they would seek to keep the appraisal but not with an amended boundary, and not move forward with the Article 4 Direction. This would be a very different approach to how other conservation areas in the district had been dealt with.
- It was advised that an Article 4 Direction would go further and offer more protection that private covenants.

RESOLVED:

The Planning Policy Committee:

- a) Agreed that the conservation area boundary as set out in Appendix B of the report be designated and supersede the designation that was made in 1998.
- b) Agreed that the proposed changes to the Holdenby Conservation Area Appraisal and Management Plan in response to representations, as set out in Appendix A of the report be approved.
- c) Agreed that delegated authority be given to the Head of Planning Policy and Specialist Services to make further minor editorial changes to the Holdenby Conservation Area Appraisal and Management Plan including to reflect that the document will be in its final adopted form.
- d) Agreed that the conservation area appraisal and management plan for Holdenby be adopted as a Supplementary Planning Document.
- e) Agreed the Local List entries for Holdenby set out in Appendix C of the report.
- f) Agreed that an Article 4(1) Direction for Holdenby in accordance with the proposals in the conservation area appraisal and management plan be made, subject to consultation.
- g) Agreed that delegated authority to confirm the Article 4(1) Direction be given to the Head of Planning Policy and Specialist Services in the event that there are no objections received in response to the consultation on the Article 4(1) Direction.

84. Scaldwell Conservation Area

The Historic Environment Officer presented the report which sought members' consideration of the responses to the consultation exercise on the draft Scaldwell Conservation Area Appraisal and Management Plan and proposed changes to the appraisal and further steps to implement the outcomes. 5 responses to the consultation were received, including the Parish Council; the majority of these were supportive of the proposals. Several minor amendments to the proposal were included in the report as a result of the consultation.

Members discussed the report.

RESOLVED:

The Planning Policy Committee:

- a) Agreed that the conservation area boundary as set out in Appendix C of the report be designated.
- b) Agreed that the proposed changes to the Scaldwell Conservation Area Appraisal and Management Plan in response to representations, as set out in Appendices A and B of the report be approved.
- c) Agreed that delegated authority be given to the Head of Planning Policy and Specialist Services to make further minor editorial changes to the Scaldwell Conservation Area Appraisal and Management Plan, including to reflect that the document will be in its final adopted form.
- d) Agreed that the Conservation Area Appraisal and Management Plan for Scaldwell be adopted as a Supplementary Planning Document.
- e) Agreed the Local List entries for Scaldwell set out in Appendix D of the report.
- f) Agreed that an Article 4(1) for Scaldwell in accordance with the proposals in the conservation area appraisal and management plan be made subject to consultation (Details of Article 4(1) Direction in Appendix E of the report).
- g) Agreed that delegated authority to confirm the Article 4(1) Direction be given to the Head of Planning Policy and Specialist Services in the event that there are no objections in response to the consultation on the direction.

85. Response to Government consultation on plan making

The Planning Policy Team Leader presented the report which sought Members' consideration of the suggested response to the current consultation on proposals to implement the parts of the Levelling Up and Regeneration Bill which related to plan making. The report summarised the government's proposals to implement the parts of the Levelling Up and Regeneration Bill which relate to plan-making and suggests a response from the Council.

Members discussed the report and made the following comments:

 Concerns were expressed by officers regarding 30-month period at a recent event with the Planning Advisory Service. A lot of details were yet to come forward.

- More digital consultation was proposed with online consultation to be more interactive. The draft response mentioned that a number of people do not have access to the required technology
- The Issues Consultation on the current local plan took place in 2018. The national standard for producing a local plan is around 7 years.
- Officers felt that more than 2 rounds of consultation would be beneficial, however more time than the proposed 30 months would likely be required. It was noted that the reach of a consultation was more important than the number that took place.
- The cut-off date for submission of a plan under the current system is 30th June 2025
- The local plan in its current format had a reasonable lifespan and gave a sense of placemaking. With the supplementary plan, there was a concern that it would "keep the door open" to keep adding things at any stage. This did not give much certainty to communities. Officers confirmed that this concern had been flagged in the proposed response.
- Some members felt concerned that the push towards digital may alienate some communities and would not result in well-rounded consultations.
- It was suggested that the wording of the Question 1 response be expanded upon as they were all significant areas in their own right, as well as a reference to nature restoration.
- Some members felt that 30 months to produce a plan was achievable, provided that the council was sufficiently resourced.

RESOLVED:

The Planning Policy Committee:

a) Agreed the suggested response to the consultation as set out in Appendix 1 of the report, with amended responses to questions 1 and 34

86. Response to Government consultation on changes to NSIP

The Development Manager presented the report which sought Members' consideration of the suggested response to the current consultation on proposed changes to the Nationally Significant Infrastructure Project (NSIP) regime. It was explained that the consultation period closed on 19th September so the draft response had already been sent to DELUC with a covering letter to explain that alterations may be forthcoming following this meeting.

Members discussed the report and the following comments were made:

 Regarding paragraph 5.7 of the report which set out the 5 reform areas identified in the action plan, concern was raised over the replacement of environmental assessment processes and it was hoped that Environmental Outcomes Reports would be sufficiently robust.

RESOLVED:

The Planning Policy Committee:

a)	Agreed the suggested response to the consultation on proposed changes to
-	the NSIP regime as set out in Appendix A of the report.

87. Urgent Business

There was no urgent business on this occasion.

The meeting closed at 6.55 p	om
Chair: _	
Date:	

WEST NORTHAMPTONSHIRE COUNCIL

List of Appendices

Appendix 1 - Proposed Decision Statement including Table 1, Examiner's recommended modifications and further editorial changes to Arthingworth's Neighbourhood Development Plan and actions to be taken

Appendix 2 – Neighbourhood Area Map

1. Purpose of Report

1.1. For Members to consider the recommendations of the independent examiner following the examination of the Arthingworth Neighbourhood Development Plan (NDP), and seek approval to put the plan to referendum.

2. Executive Summary

2.1 The report summarises the process which has been followed to produce the Arthingworth Neighbourhood Development Plan (NDP) and presents the outcomes of the independent examination, including the examiner's recommendations.

3. Recommendations

- 3.1 It is recommended that the Planning Policy Committee:
 - a) Notes and welcomes the significant progress in making the neighbourhood development plan (NDP) by the Arthingworth community.
 - b) Accepts the Examiner's recommended modifications in respect of the Arthingworth NDP
 - c) Accepts the Inspector's recommendation that the NDP, as modified in accordance with recommendation (b), shall proceed to a referendum of voters within the Arthingworth Neighbourhood Area.
 - d) Approves the proposed Decision Statement set out in Appendix 1, subject to items (b) and (c) above and any necessary factual alterations.
 - e) Agrees that delegated authority be given to the Head of Planning Policy and Specialist Services to make any further minor editorial changes be made to the Plan to address any factual and typographical errors and to reflect the fact that the document will be in its intended final form

4. Reason for Recommendations

4.1 In order for a NDP to be "made" (adopted) the Neighbourhood Planning (General) Regulations 2012 ((SI 2012 No. 637) require the Council to make a decision on the examiner's recommendations before agreeing to send it to referendum.

5. Report Background

5.1 The Localism Act 2011 has introduced three types of neighbourhood planning. This includes a neighbourhood development plan, which is a plan making power allowing local communities to shape development in their area, and a neighbourhood development order, which is a mechanism for granting planning permission. When "made" (or adopted), NPDs will form part of the development plan alongside the Council's Part 1 and Part 2 Local Plans.

- 5.2 The Neighbourhood Planning Regulations 2012 set out the process an organisation (the "Qualifying Body" i.e Parish or Town Council) must follow when preparing a neighbourhood development plan (NDP) or order, once a neighbourhood area is designated.
- 5.3 A draft NDP is drawn up and consulted on, and then the NDP is submitted to the local planning authority. This is followed by an examination, following which the Examiner makes recommendations. These recommendations can be that the plan should not proceed to a referendum, that it should proceed to a referendum with certain modifications, or that it should proceed to a referendum unchanged. Then the local planning authority (West Northamptonshire Council) has to consider whether to accept the Examiner's recommendations. In doing so the Council has to decide for itself if, with the proposed modifications, the plan would meet the basic conditions and would not contravene Convention rights or European Union obligations. The Examiner will also recommend, and WNC must decide, what area should be used for the referendum if one is held; this may be larger than the neighbourhood affected if the impacts are important to a wider area.
- 5.4 Generally, there would need to be a good reason not to accept Examiner's recommendations, and the greater the divergence of WNC's decision from the recommendations the stronger the justification would need to be.
- 5.5 If an NDP proceeds to examination, then if it is approved by a majority of those voting, the Council has a duty to 'make' the plan, at which point it becomes part of the statutory development plan for the Council. The Council must then publish a decision statement explaining what it has done.

6. Issues and Choices

6.1 Plan Preparation

- 6.2 Arthingworth Parish Council (APC), as the qualifying body, applied for the designation of a neighbourhood area on 17th March 2020. Following consultation on the application, the former Daventry District Council approved the application and designated the Arthingworth Neighbourhood Area on 18th March 2020.
- 6.3 The draft NDP was published by APC for the Arthingworth Neighbourhood Area for Regulation 14 public consultation 12th August 2022 30th September 2022.
- 6.4 Following submission of the Arthingworth NDP to the Council the plan was published for formal Regulation 16 consultation from 29th March 2023 to 23rd May 2023. The Council then, with the agreement of Parish Council, appointed an independent examiner, Andrew Ashcroft MRTPI, to review whether the plan met the basic conditions (see para 6.5) and should proceed to a referendum.
- The examination of the plan was largely undertaken by written representations. However, having considered the information presented to him, the Examiner, concluded that the examination should include a focussed hearing on the way the village confines were defined. This was held at Arthingworth Village Hall on Wednesday 4th October 2023 and included Pigitse 13

to two parts of the village. Representatives from the Council, Parish Council, Owners of Manor House, Bosworth House and the agent for a land owner attended the hearing.

- 6.6 NDPs are not tested for their soundness, but are tested to ensure they meet 'basic conditions', which are that:
 - Having regard to national policies and advice contained in guidance issued by the Secretary of State it is appropriate to make the neighbourhood plan.
 - The making of the neighbourhood development plan contributes to the achievement of sustainable development.
 - The making of the neighbourhood development plan is in general conformity with the strategic policies contained in the development plan for the area of the authority (or any part of that area).
 - The making of the neighbourhood development plan does not breach, and is otherwise compatible with, EU obligations.
 - The making of the neighbourhood development plan is not likely to have a significant effect on a European site (as defined in the Conservation of Habitats and Species Regulations 2010) or a European offshore marine site (as defined in the Offshore Marine Conservation (Natural Habitats, &c.) Regulations 2007) (either alone or in combination with other plans or projects).

6.7 <u>Examination Outcomes</u>

- 6.8 Following the completion of the Hearing, the Examiner's report on the NDP was received on 19th
 October 2023 and has been published on the Council's website. In his report, the Examiner
 concludes that "the Arthingworth Neighbourhood Development Plan meets the basic conditions
 for the preparation of a neighbourhood Development Plan subject to the recommended
 modifications included in the Examiner's report.'
- 6.9 The main recommendation of the report relates to Policy H2 village confines, which was the subject of the hearing. The policy defines the confines and identifies the policy approach where development proposals on sites within the village confines will be supported and those outside the confines will be carefully controlled in line with national and strategic planning policies. The Policy attracted representations from property owners, land owners and the Council. The hearing considered the way in which the village confines had been drawn in the vicinity of The Manor and Bosworth House, with proposed extensions to the confines to include land relating to these properties. The Examiner concluded that on the balance of the evidence that the confines should not be extended to include The Manor nor the land to the east and west of Bosworth House. The Examiner did suggest some modification to the wording of the policy to improve its clarity.
- 6.10 The village confines also included the proposed housing allocation. The Examiner concluded that the village confines should be modified to exclude the housing allocation, so it reflected the approach set out in Table 3 in Policy RA3 of the Local Plan Part 2.
- 6.11 The Examiner supported the residential allocation in Policy H1 'Residential Site Allocation' concluding that the policy takes an 'appropriate approach to the matter' The Plan has taken the opportunity to positively plan for development within the village to help meet local need and

- support local services. However, the examiner has suggested some modifications to improve the clarity of the policy as required by the NPPF.
- 6.12 The Examiner recommended modifications to Policy H3 'Housing Mix' and the supporting text. This was to ensure that the policy comments generally about meeting local housing needs then offers specific support for smaller homes and homes suitable for older people, with the specific reference to 'family' sized housing deleted, as planning can only control the sizes of the houses rather than the way they are occupied. Commentary relating to 4-bedroom homes is then positioned within the supporting text.
- 6.13 Policy H4 Affordable Housing, the Examiner was satisfied that the policy takes a positive approach to the matter and meets the basic conditions. There are suggested modifications to acknowledge that the approach to distributing affordable housing may not always be practicable due to the size or layout of plots.
- 6.14 The Examiner agrees that two local green spaces set out in Policy ENV 1 Local Green Spaces meet the tests set out in the NPPF.
- 6.15 The Examiner recommended the deletion of Policy T2 Electric Vehicles as the need for such a policy has been overtaken by national policy as Part 5 of Building Regulations for electric vehicle charging are now in place.
- 6.16 A schedule of the Examiner's recommendations is set out in Table 1 to the Proposed Decision Statement, which is Appendix 1 of this report. The other main changes recommended by the Examiner are:
 - Policy ENV3 Sites and Features of Natural Environmental Significance, modified to ensure it clearly identifies the features it addresses
 - Policy ENV4 Woodland and Notable Trees, modified to ensure that the policy more closely relates to the development management process and can be applied consistently
 - Policy ENV6 Sites of Historical Environment Significance, removal of part of the policy into supporting text as it relates to process not policy
 - Policy ENV8 Local Heritage Assets, modified to ensure that it accords with national policy
 - Policy ENV10 Footpaths and Other Walking Routes, amended to ensure that the policy is positively prepared
 - Policy T3 Pedestrian Footpaths, Pavements and Cycle ways is modified so that the elements referring to maintenance and upgrading are deleted as they are unlikely to constitute development.
 - Policy BE2 Support for New Businesses and Employment is modified to ensure that the policy has an approach necessary for a development plan policy
 - The following policies are all modified to bring clarity as required by the NPPF Policy H5
 Windfall sites, Policy ENV2 Important Open Spaces, Policy ENV5 Biodiversity and
 Habitat Connectivity, Policy ENV7 Ridge and Furrow, ENV9 Important Views, ENV11
 Dark Sky, ENV 12 Flood Risk, Policy CF1 Retention of Community Facilities and
 Amenities, Policy CF2 New or Improved Community Facilities and Assets, Policy PC1
 Broadband and Mobile Infrastructure, Policy T1 Traffic Management, Policy BE1 \$\frac{\text{Page}}{2}\frac{\t

- For Existing Businesses and Employment Opportunities, Policy BE3 Homeworking, Policy BE4 Farm Diversification and Policy BE5 Tourism.
- Policy H6 Design required no modification as it was considered to take a positive approach to the increasingly important design agenda.
- 6.17 The Examiner stated in his report that it would be appropriate for the Council and qualifying body to be able to make consequential changes to general text as a result of his recommended modifications and to accommodate other administrative matters. The recommendations made by the Examiner, the reasons for them and what action is proposed in response to each of these is set out in Table 1 to the proposed Decision Statement. The changes proposed by the Council to correct errors and make factual updates are marked as "accuracy changes" in Table 1. It is considered that the recommended modifications (including accuracy changes) should be approved to ensure that the NDP meets the basic conditions. Further changes may also be necessary to address any factual and typographical errors and to reflect that the plan will be in its intended final form prior to the referendum. The revised NDP should then proceed to referendum in the Arthingworth Neighbourhood Area to determine if local people support it.

6.18 <u>Decision making process</u>

6.19 The Council is required to issue its final decision on the NDP within five weeks of receiving the Examiner's report unless the Council and QB agree a different date. The Examiner's report was received on the 19th October 2023 meaning a decision would have to be issued by 23rd November 2023. As this date aligns with the date of this meeting of Planning Policy Committee an agreement with the Parish Council for a later date was not needed.

6.20 Referendum

- 6.21 The referendum should be carried out for Arthingworth Parish. This is recommended by the Examiner and there are no reasons to differ from her recommendation. As set out in the proposed Decision Statement the date for the referendum is provisionally set for 8th February 2024. Prior to the referendum the suggested changes, including minor factual and typographical in nature, would be made to the NDP for it to be published as one of the specified documents in respect of the referendum.
- 6.22 The referendum would follow a similar format to an election. All those registered to vote within the neighbourhood area would be given the opportunity to vote. Voters would be given a ballot paper with the question (the wording of which is specified in the Regulations) "Do you want West Northamptonshire Council to use the Neighbourhood Plan for Arthingworth to help it decide planning applications in the neighbourhood area?" Voters would be given the opportunity to vote "yes" or "no".

6.23 Making the Plan

6.24 If more than 50% of those voting in the referendum vote "yes" then the Council is required to "make" the plan. If the referendum is unsuccessful then the Council takes no further action and Arthingworth Parish Council would have to decide what is wished to do.

7. Implications (including financial implications)

7.1 Resources and Financial

- 7.1.1. In accordance with guidance a local planning authority must take key decisions in the neighbourhood planning process and provide advice or assistance to a parish council, neighbourhood forum or community organisation that is producing a neighbourhood plan or Order as required by paragraph 3 of Schedule 4B to the Town and Country Planning Act 1990 (as amended).
- 7.1.2. The costs of supporting and advising the Arthingworth neighbourhood plan group, formal public consultation on the plan, the appointment and funding of an independent Examiner and examination and the holding of the referendum are the responsibility of the Local Planning Authority. These cost are estimated at approximately £10k plus an amount for officer time, and will all be funded from the Council's existing Neighbourhood Planning and Planning Policy budgets.
- 7.1.3. In his report, the examiner concludes that the Arthingworth Neighbourhood Development Plan, subject to modifications, meets the basic conditions for the preparation of a Neighbourhood Development Plan. Should the Council accept this recommendation it may, on issue of a decision statement detailing the intention to send the plan to referendum, claim against the Department for Levelling Up, Housing and Communities Neighbourhood Planning Grant. This allows for areas where a neighbourhood plan has not previously been made a claim of £20,000 from when the local planning authority issue a decision statement detailing their intention to send the plan to referendum (as set out under Regulation 18 of the Neighbourhood Planning (General) Regulations 2012).

7.2 Legal

7.2.1 In accordance with the Neighbourhood Planning Regulations 2012 the Council is required to consider the report of the Independent Examiner. If the Council is satisfied that the plan, as modified, meets the basic requirements and all other statutory requirements, a referendum must be held.

7.3 **Risk**

7.3.1 There are no significant risks arising from the proposed recommendations in this report.

7.4 Consultation and Communications

7.4.1 The Council and Arthingworth Parish Council have been informing and engaging residents throughout the process through informal and formal consultations. Subject to this committee's decision, communications activities will also be undertaken to encourage participation in the future referendum.

7.5 Consideration by Overview and Scrutiny

7.5.1 Not applicable

7.6 **Climate Impact**

7.6.1 The neighbourhood plan must demonstrate that it meets the basic conditions, one of which requires the plan to contribute to the achievement of sustainable development. By meeting this condition, the plan will positively contribute to reducing the impact of climate change.

7.7 **Community Impact**

7.7.1 The Arthingworth NDP has been subject to formal and informal consultation in accordance with the Neighbourhood Planning (General) Regulations 2012. A Consultation Statement was produced by the qualifying body which sets out the consultation and engagement activity undertaken, what comments were received and how the plan responded to these.

8. Background Papers

- 8.1 Report of the independent examiner into the Arthingworth Neighbourhood Development Plan, 19th October 2023
- 8.2 Submission version of Arthingworth Neighbourhood Plan March 2023

Appendix 1 – Proposed Decision Statement Arthingworth Neighbourhood Development Plan Decision Statement Regulation 18 of the Neighbourhood Planning (General) Regulations 2012 (as amended)

1. Summary

- 1.1 Following an independent examination, West Northamptonshire Council (the "Council") now confirms that the Arthingworth Neighbourhood Development Plan will proceed to a neighbourhood planning referendum.
- 1.2 This decision statement and copies of the Arthingworth Neighbourhood Development Plan and its supporting documentation, including the Examiner's report are available to view on the council's website at
 - https://www.daventrydc.gov.uk/living/planning-policy/neighbourhood-planning/
- 1.3 Hard copies of this decision statement and the modified version of the neighbourhood plan are available for inspection at the following locations:
 - West Northamptonshire Council Offices (The Forum, Moat Lane, Towcester NN12 6AD and Guildhall, St Giles' Square, Northampton, NN1 1DE)
 - Brixworth Library, Spratton Road, Brixworth, Northants, NN6 9DS (Open 9-5 Mon-Fri and 10-2 Saturday)
 - St Andrew's Church Arthingworth, Braybrooke Road, Arthingworth, Northants LE16 8NP

2. Background

- 2.1 Arthingworth Parish Council, as the qualifying body, applied for Arthingworth Parish to be designated as a neighbourhood area on 17th March 2020. Following consultation on the application the council designated Arthingworth as a neighbourhood area on the 18th March 2020.
- 2.2 The draft Neighbourhood Development Plan was published by Arthingworth Parish Council for public consultation on 12th August and closed on 30th September 2022.
- 2.3 Following submission of the Arthingworth Neighbourhood Development plan to the council on 26th January 2023, the plan was published by the Council for consultation. The consultation period ran from 29th March to 23rd May 2023.
- 2.4 Following the submission consultation, the council, with the agreement of the parish council, appointed an independent Examiner, Andrew Ashcroft, MRTPI to review whether the plan met the basic conditions required by the legislation and should proceed to a referendum.
- 2.5 Following the examination, the Examiner's report was completed on 19th October 2023 and made available on the council's website. The report concludes that subject to the making of the modifications recommended in his report the plan meets the basic conditions set out in legislation and should proceed to a referendum.

3. Decision and Reasons

- 3.1 The Council has made the modifications proposed by the Examiner, to ensure that the plan meets the basic conditions. Table A below sets out these modifications and the action to be taken in respect of each of them. Depending on the recommended change, these are illustrated differently in the Decision Statement and set out below. All deletions will also be shown with a strikethrough.
 - Modifications of wording by the Examiner are shown as **bold** or strikethrough for deletions.
 - Where the Examiner has not recommended specific wording and the council has had to interpret the recommendation and identify specific wording this is <u>double underlined or</u> strikethrough for deletions. This includes accuracy changes.
- 3.2 The Examiner has concluded that with the specified modifications the Arthingworth Neighbourhood Development Plan meets the basic conditions and other relevant legal requirements. The council concurs with this view.
- 3.3 To meet the requirements of the Localism Act 2011, a referendum will be held which poses the question; 'Do you want West Northamptonshire Council to use the neighbourhood plan for Arthingworth to help it decide planning applications in the neighbourhood area?'
- 3.4 The referendum will take place on Thursday 8th February 2024 and will be held at Arthingworth Village Hall, Kelmarsh Road, LE16 8JZ.

Appendix 1 Table 1 Examiner's Recommended Modifications and further editorial changes to the Arthingworth Neighbourhood Development Plan and actions to be taken (set out in plan order)

Recommendation ID number	Page/Para/Policy reference in Submission Version of NDP and para in Examiner's Report	Examiner's Recommendation	Details of further editorial changes	Reason	Action to be taken
1	Pg.9, Section 5 (Para 7.12 of examiner's report)	At the end of the paragraph add in 'The Plan period is 2022 to 2029'	N/A	To ensure clarity of the plan period	Amend paragraph 5.1 in accordance with examiner's recommendation
2	Policy H1 Residential Site Allocation Pg. 15 (Para 7.19 of examiner's report)	Replace c) with: 'The development of the site responds positively to the levels across the site and the existing vegetation.' Replace e) with: 'The development of the site incorporates a children's play area.' POLICY H1: RESIDENTIAL SITE ALLOCATION — Land is allocated for residential development at the following location on Kelmarsh Road as shown in figure 2, subject to: a) The development will provide for up to 6 dwellings; b) At least half of the dwellings shall be for Affordable Housing as defined by the NPPF (2021) Annex 2; c)—The existing planting shall be retained as far as is practical;—The development of the site responds		To ensure clarity of the policy as required by the NPPF.	Amend policy H1 in accordance with examiner's recommendation

Recommendation ID number	Page/Para/Policy reference in Submission Version of NDP and para in Examiner's Report	Examiner's Recommendation	Details of further editorial changes	Reason	Action to be taken
		positively to the levels across the site and the existing vegetation d) The design of the scheme shall meet the requirements of the design policy H6; and e) Land for a children's play area of approximately 50 metres squared will be gifted to the parish council at nil cost, before building on the site can commence. The development of the site incorporates a children's play area			
3	Policy H2 Village Confines, Pg.17 (Para 7.40 of examiner's report)	Revise the Policy as follows: Replace the second part of the policy with: 'Development outside the defined Village Confines will be carefully managed in accordance with national and local planning policies.'	N/A	To ensure that the policy is conformity with the local plan policy	Amend Policy H2 in accordance with examiner's recommendation
		POLICY H2: VILLAGE CONFINES — Development proposals on sites within the Village Confines as identified in Figure 3, will be supported where it complies with the policies of this Neighbourhood Plan. Development outside the defined Village Confines will be carefully managed in accordance with national and local planning policies. Land outside the defined Village Confines will be treated as open countryside, where development will be carefully managed.			

Recommendation ID number	Page/Para/Policy reference in Submission Version of NDP and para in Examiner's Report	Examiner's Recommendation	Details of further editorial changes	Reason	Action to be taken
4	Figure 3, Pg. 18 (Para 7.40 of examiner's report)	Revise the Village Confines on Figure 3 to exclude the proposed housing allocation (Policy H1) Include a separate indication of the allocation on Figure 3	Include key indicating the allocation	To ensure that the village confines are drawn in accordance with Criterion B of Table 3 in policy RA3 of LPP2	Amend confines in Fig 3 in accordance with examiner's recommendation
5 P	Policy H3 Housing Mix, Pg.19 (Para 7.45 of examiner's report)	Replace the policy with: 'Where practicable and viable, new housing development proposals should provide a mixture of housing types specifically to meet identified and evidenced local needs. In this context proposals which deliver smaller homes (three bedrooms or fewer) and homes suitable for older people (especially those who wish to downsize) will be particularly supported.' Policy H3: HOUSING MIX — Where practicable and viable, new housing development proposals should provide a mixture of housing types specifically to meet identified and evidenced local needs. In this context proposals which deliver smaller homes (three bedrooms or fewer) and homes suitable for older people (especially those who wish to downsize) will be particularly supported New housing development proposals should provide a mixture of housing types specifically to meet identified and evidenced local needs. Priority should be given to smaller family homes (3)		The policy is modified so that it comments generally about meeting local housing needs and then offers specific support for smaller homes and homes suitable for older people.	Amend policy H3 in accordance with examiner's recommendations

Recommendation ID number	Page/Para/Policy reference in Submission Version of NDP and para in Examiner's Report	Examiner's Recommendation	Details of further editorial changes	Reason	Action to be taken
		bedrooms or fewer) and those suitable for older people (especially those who wish to downsize). There will be a presumption against homes with 4 or more bedrooms.			
6	Supporting text Pg.19, (Para 7.45 of examiner's report)	As a new paragraph at the end of the supporting text add: 'Policy H3 addresses this important matter. Proposals which include homes with four or more bedrooms should identify the way in which they delivery local housing needs or the way in which they would make the delivery of the overall development commercially-viable.'	N/A	The policy is modified so that it comments generally about meeting local housing needs. Planning process can only control size of houses rather than occupiers.	Amend supporting text in accordance with examiner's recommendations
7 PP	Policy H4 Affordable Housing, Pg. 20 (Para 7.48 of examiner's report)	Replace the final part of the policy with: 'Affordable housing should be designed and delivered to be indistinguishable from market housing and, wherever practicable, should be distributed evenly throughout the development.' POLICY H4 AFFORDABLE HOUSING – Development proposals which include affordable housing should provide a mix of housing types and sizes to help meet the identified needs of the Parish. The provision of smaller homes, especially for young families and young people and for older people who wish to downsize, will be supported, as is the provision of affordable housing for people with a local connection.	N/A	The policy is modified so that it acknowledges that the approach to distributing affordable housing may not always be practicable due to size or layout,	Amend policy H4 in accordance with examiner's recommendations

Recommendation ID number	Page/Para/Policy reference in Submission Version of NDP and para in Examiner's Report	Examiner's Recommendation	Details of further editorial changes	Reason	Action to be taken
		Affordable housing should be designed and delivered to be indistinguishable from market housing and, wherever practicable, should be distributed evenly throughout the development.			
		Any Affordable Housing should be designed and delivered to be indistinguishable from market housing and must be distributed evenly through the development as a whole.			
8	Policy H5 Windfall Sites, Pg.21 (Para 7.52 of examiner's report)	Replace the opening element of the policy with: 'Development proposals for infill and/or redevelopment sites comprising individual dwellings or small groups of dwellings within the Village Confines will be supported where they:' In a) replace 'retains' with 'retain' In b) replace 'provides' with 'provide' In c) replace 'does' with 'do', 'adversely' with 'unacceptably', and 'significant detrimental' with 'unacceptable'	N/A	The policy is modified to bring clarity required by the NPPF	Amend policy H5 in accordance with examiner's recommendations
P		POLICY H5: WINDFALL SITES Development proposals for ef infill and/or redevelopment sites comprising individual dwellings or small groups of dwellings within the Village Confines will be supported where it they: a) Retains retain existing important natural boundaries such as trees, hedges and streams;			

Recommendation ID number	Page/Para/Policy reference in Submission Version of NDP and para in Examiner's Report	Examiner's Recommendation	Details of further editorial changes	Reason	Action to be taken
		 b) Provides provide for a safe vehicular and pedestrian access to the site; and C) Does do not reduce garden space to an extent where it adversely unacceptably impacts on the character of the area, the amenity of neighbours and the occupiers of the dwelling or has an significant detrimental unacceptable heritage or environmental impact. 			
9	Policy ENV1 Local Green Space, Pg.27 (Para 7.58 of examiner's report)	In the policy replace 'permitted' with 'supported' POLICY ENV E1: LOCAL GREEN SPACES — Development proposals that would result in the loss of, or have an adverse effect on, the following Local Green Spaces (details Appendix G; location figure 5) will not be permitted supported other than in very special circumstances. St Andrew's Churchyard and its setting (inventory sites 163-165) "Village Green" (168)	N/A	The policy is modified to bring clarity required by the NPPF	Amend Policy ENV1 in accordance with examiner's recommendations
10 0	Local Green Space, Pg.26 (Para 7.58 of examiner's report)	At the end of the supporting text add: 'Policy ENV1 follows the matter-of-fact approach in the NPPF. If development proposals come forward on the local green spaces within the Plan period, they can be assessed on a case-by-case basis by West Northamptonshire Council. It will be able to make an informed judgement on the extent to which the proposal concerned demonstrates the 'very special circumstances' required by the policy'	N/A	The additional supporting text helps clarify the policy	Amend supporting text in accordance with examiner's recommendations

Recommendation ID number	Page/Para/Policy reference in Submission Version of NDP and para in Examiner's Report	Examiner's Recommendation	Details of further editorial changes	Reason	Action to be taken
11	Local Green Space, Pg.26 (Para 7.58 of examiner's report)	On Figure 5 revise the boundaries of the Village Green LGS to exclude the road and the associated highway verges.		To ensure clarity to the designation on the map	Amend Figure 5 in accordance with examiner's recommendations
12	Policy ENV2 Important Open Spaces, Pg.29 (Para 7.60 of examiner's report)	Replace 'significant adverse effect' with 'unacceptable effect' POLICY ENV E2: IMPORTANT OPEN SPACES — The following open spaces (locations, figures 6.1, 6.2; details, Appendix F) are of high local value for recreation, beauty, amenity, or tranquillity, within or close to the built-up area. Development proposals that result in their loss, or have an significant adverse unacceptable effect on them, will not be supported unless the open space is replaced by at least equivalent provision in an equally suitable location, or unless it can be demonstrated that the open space is no longer required by the community.+	N/A	To ensure clarity of the policy as required by the NPPF.	Amend Policy ENV2 in accordance with examiner's recommendations
13	Policy ENV3 Sites and Features of Natural Environmental Significance, Pg.30 (Para 7.65 of examiner's report)	Replace 'The siteshave been identified' with 'The sites and features shown on figures 7.1 and 7.2 are identified' POLICY ENV E3: SITES AND FEATURES OF NATURAL ENVIRONMENT SIGNIFICANCE — The sites and features shown on figures 7.1 and 7.2 are identified	N/A	Modify policy to ensure that it more clearly identifies the features which are addressed by the policy	Amend Policy ENV3 in accordance with examiner's recommendations

Recommendation ID number	Page/Para/Policy reference in Submission Version of NDP and para in Examiner's Report	Examiner's Recommendation	Details of further editorial changes	Reason	Action to be taken
14	Supporting text Pg.30 (Para 7.65 of examiner's	mapped here (figures 7.1 and 7.2; details in Appendix F) have been identified as being of at least local significance for their natural environment significance. They are ecologically important in their own right, make a local contribution to carbon sequestration, and are locally valued. Development proposals that would have a detrimental impact on a site of historic environment significance will not be supported unless the need for and benefits arising from development in that location clearly outweigh the loss. Development is also required to achieve a 10% net gain in biodiversity, or the BNG metric in force at the time. At the end of the supporting text as a new paragraph add:	N/A	Additional supporting text to	Include additional paragraph in

	(Para 7.90 of examiner's report)	In light of this, it is particularly important that the location and technical standards of all new development proposals in the Plan Area should in future be judged on their likely contribution to flooding in a climate change world. To complement this objective, the community will support proposals to improve the infrastructure within the built-up areas for managing flooding from the river and from surface water run-off events, providing this is not unduly detrimental to the historic built environment, the archaeological resource, biodiversity sites, or open and green spaces.		required by the NPPF.	examiner's recommendation
٦		Development proposals of one or more dwellings and/or for employment or agricultural development-should demonstrate that: if in a location susceptible to flooding from rivers or surface water, no alternative site to meet the local residential development need is available; its location and design respect the geology, flood risk and natural drainage characteristics of the immediate area and is accompanied by a hydrological study whose findings must be complied with in respect of design, groundworks and construction; it includes a Surface Water Drainage Strategy which demonstrates that the proposed drainage scheme, and site layout and design, will prevent

		installed, this should be shared, where possible, by more than one provider.			
		Any infrastructure improvements requiring above ground network installations, must should be sympathetically located and designed to integrate into the local area.			
33	Policy T1 Traffic Management, Pg.53 (Para 101 of examiner's report)	Replace the opening element of the policy with: 'As appropriate to its scale, nature and location, new housing and commercial development should:' Replace e) and f) with: 'incorporate appropriate traffic calming and the improvement of footpaths and cycle ways networks in the immediate locality.'		To allow simplification of the policy to improve its clarity.	Amend Policy T1 in accordance with examiner's recommendation
P		POLICY T1: TRAFFIC MANAGEMENT - With particular regard to the rural highway network of the Parish and the need to minimise any increase in vehicular traffic, all new housing and commercial development must: As appropriate to its scale, nature and location, new housing and commercial development should: a) Be designed to minimize additional traffic generation and movement through the village; b) Incorporate sufficient off-road parking; c) Not remove or compromise the use of any existing off-road parking areas unless a suitable equivalent alternative is provided;			

Recommendation ID number	Page/Para/Policy reference in Submission Version of NDP and para in Examiner's Report	Examiner's Recommendation	Details of further editorial changes	Reason	Action to be taken
		d) Provide any necessary improvements to site access, communal parking and the highway network either directly or by financial contributions; e) Consider the introduction of appropriate traffic calming where appropriate; and incorporate appropriate traffic calming and the improvement of footpaths and cycle ways networks in the immediate locality f) Consider, where appropriate, the improvement and where possible the creation of, footpaths and cycle ways.			
34	Policy T2: Electric Vehicles, Pg.54 (Para 103 of examiner's report)	Delete the policy POLICY T2: ELECTRIC VEHICLES - Residential development of one dwelling or more should provide the most powerful appropriate cabling to the most practical point in the home to facilitate subsequent installation of a home electric vehicle charging point. The provision of communal vehicular charging points within the parish will be supported where there is universal access and they do not impact negatively on the availability of existing parking within the parish.	Subsequent reordering of paragraph numbers Policy T3 becomes Policy T2	The need for the policy has been overtaken by national policy as Part S of Building Regulations for electric vehicle charging are now in place	Delete policy in accordance with examiner's recommendation
D	Supporting Text Pg.54 Neighbourhood Plan	Delete the supporting text (including the Electric Vehicles heading).	Subsequent reordering of	The need for the policy has been overtaken by	Delete supporting text in accordance

Recommendation ID number	Page/Para/Policy reference in Submission Version of NDP and para in Examiner's Report	Examiner's Recommendation	Details of further editorial changes	Reason	Action to be taken
	(Para 103 of examiner's report)	Electric vehicles Electric vehicles are growing in popularity underpinned by the Government's intention to ban sales of new petrol and diesel cars from 2030. In the parish survey, almost 8% of respondent's cars are fully electric or hybrid.	paragraph numbers	national policy as Part S of Building Regulations for electric vehicle charging are now in place	with examiner's recommendation
		Currently, residential charging is the norm but generally only possible where off road parking is available. For those without off road parking, vehicle charging is a big issue. It is important that more publicly available rapid charging points are created. These could be installed at locations within the parish, for example the Village Hall.			
		Central Government strategy aimed at reducing atmospheric pollution recommends that 25% of all car parks should have charging points by 2025. The Parish Council therefore must explore all opportunities to support this pressing aspiration.			
35	Policy T3 Pedestrian Footpaths, Pavements and Cycleways, Pg. 55 (Para 7.105 of examiner's report)	Replace the policy with: 'Proposals for the extension of the footpath and cycle network in the parish will be supported' POLICY #3 T2: PEDESTRIAN FOOTPATHS, PAVEMENTS AND CYCLE WAYS — Proposals for the extension of the footpath and cycle	Renumber Policy to T2	Elements referring to maintenance and upgrading are deleted from the policy as they are	Amend Policy T3 in accordance with examiner's recommendation
