List of Appendices

Appendix A – Outline Work Programme 2022/23

1. Purpose of Report

- 1.1. The report is intended to enable the Northamptonshire Police, Fire & Crime Panel to review progress with the development and delivery of its 2022/23 work programme.

2. Executive Summary

- 2.1. The report invites the Panel to review the latest version of its outline work programme for 2022/23 and to endorse this subject to any changes that the Panel considers to be necessary.

3. Recommendations

- 3.1 It is recommended that the Northamptonshire Police, Fire & Crime Panel endorses its outline work programme for 2022/23, subject to any changes that the Panel considers to be necessary.

4. Reasons for Recommendations

- 4.1 The recommendation is intended to support the effective operation of the Panel during 2022/23 and the delivery of its statutory responsibilities.

5. Report Background

- 5.1 The Police Reform & Social Responsibility Act 2011, the Policing & Crime Act 2017 and supporting legislation give various specific responsibilities to the Northamptonshire Police, Fire & Crime Panel (“the Panel”). These are principally as follows:
- Scrutinising and reporting on the Police, Fire & Crime Commissioner (PFCC)’s proposed Police and Fire & Rescue precepts
 - Scrutinising and reporting on the PFCC’s Police & Crime Plan and Fire & Rescue Plan
 - Scrutinising and reporting on the PFCC’s Annual Report on the delivery of Police & Crime Plan objectives and on the annual Fire & Rescue Statement reporting compliance with the Fire & Rescue National Framework
 - Scrutinising and reporting on proposed appointments by the PFCC to certain positions (: Deputy PFCC; Chief Executive; Chief Finance Officer; Chief Constable of Northamptonshire Police; and Chief Fire Officer of Northamptonshire Fire & Rescue Service)
 - Dealing with complaints from members of the public about the conduct of the PFCC.
- 5.2 In addition, the legislation referred to in paragraph 5.1 above gives the Panel the general responsibility to review and scrutinise decisions made, or other action taken, by the PFCC in connection with the discharge of his functions and to make reports or recommendations to the PFCC with respect to these matters. The Panel is required to carry out its role with a view to supporting the PFCC in effectively exercising his functions.
- 5.3 It is standard practice for the Panel to set an annual work programme to provide a framework within which it carries out its functions and the practical tasks these involve. The work programme is made up of a combination of statutory and discretionary scrutiny work; matters relating to the operation of the Panel; and any supporting activities such as briefings or training. The work programme covers a rolling 12-month period. The work programme is considered at the first Panel meeting in the municipal year. It is then kept under regular review by the Panel and modified or updated as necessary, with a view to ensuring that it is focussed on the aim of using available capacity to best effect.

6. Issues and Choices

- 6.1 The Panel considered its outline work programme at its meeting on 19th July 2022 and identified items of business that it wished to consider during the year ahead alongside its mandatory tasks. The resulting outline work programme is included with this report (at Appendix A).
- 6.2 The work programme should not be seen as fixed and it is open to the Panel to review and modify it at any time as the municipal year progresses. The work programme can be informed by input from a range of sources, including suggestions from individual Panel members and from the PFCC. The Panel should consider suggested business from all sources on its merits, with a view to maintaining a work programme that reflects the Panel’s remit, has the support of Panel members, is realistically deliverable within available resources and has the potential to produce the most worthwhile outcomes.

7. Implications (including financial implications)

7.1 Resources and Financial

7.1.1 There are no specific resources or financial implications associated with this report. The normal operation of the Panel is supported by grant funding that the Panel's host authority can claim from the Home Office for the purpose of maintaining a panel for the Northamptonshire Police area.

7.2 Legal

7.2.1 There are no legal implications arising from the proposal.

7.3 Risk

7.3.1 The Panel should ensure that its work programme enables it to carry out its statutory role and functions effectively. Factors that might represent a risk to this could include setting a work programme that did not reflect the Panel's statutory functions; that was unfocussed or included too much business to be realistically deliverable; or that was fixed at the start of the year and did not allow the flexibility to respond to issues that might subsequently arise. These risks should be mitigated by the Panel reviewing its work programme and any associated matters at each of its normal meetings during the municipal year. This will enable the Panel to consider any changes to existing arrangements that may seem necessary, with a view to ensuring that the work programme and the specific activities contained within it remain deliverable within the Panel's overall capacity and the resources available to support it.
