The report looks into the key planning issues in detail, and Officers conclude that the proposal is acceptable subject to conditions.

Members are advised that the above is a summary of the proposals and key issues contained in the main report below which provides full details of all consultation responses, planning policies, the Officer's assessment and recommendations, and Members are advised that this summary should be read in conjunction with the detailed report.

MAIN REPORT

1. APPLICATION SITE AND LOCALITY

- 1.1 The application site relates to the sustainable urban extension (SUE) on the southern side of the town, which in total extends to an area of 180 hectares. The SUE is bounded to the east by the A5, to the west by the A43, and to the north by the existing built development of Towcester. The SUE also adjoins the hamlet of Wood Burcote. To the south of the SUE lies open countryside.
- 1.2 The site itself comprises one parcel (or sub-phase) of within the SUE to the south of the present construction area.
- 1.3 The application is for all reserved matters (appearance, landscaping, layout and scale) within the area lined in red.

2. CONSTRAINTS

- 2.1. The application site is within the Towcester Town Confines
- 2.2. The application site is within 2km of three Local Wildlife Sites.
- 2.3. The site is in an area of archaeological interest.

3. DESCRIPTION OF PROPOSED DEVELOPMENT

- 3.1. The application comprises all the reserved matters for 138 dwellings within part of phase 6 of the SUE (as defined on the Phasing Parameter Plan – P.0329_76K-7).
- 3.2. The proposed housing mix is a variety of 1, 2, 3 and 4 bed units, which are predominantly 2 storey, with some (24) 2.5 storey units and 1 bungalow.
- 3.3. The proposal includes 14 affordable units.
- 3.4. *Timescales for Delivery:* The development of this parcel of land is considered to follow on seamlessly from current development elsewhere on site.

4. RELEVANT PLANNING HISTORY

- 4.1. The following planning history is considered relevant to the current proposal:

Application Ref.	Proposal	Decision
S/2007/0374/OUT WNS	Outline planning application or the creation of a new mixed use neighbourhood at Towcester comprising: 2750 homes; employment land to support B1, B2 and B8 uses; a main Local Centre (food store, retail units, public house/restaurant, doctors surgery/medical centre, nursery/crèche and community hall); a support local centre (corner shops, takeaways); mixed use commercial area to accommodate Class C1 Hotel with conference and leisure facilities; two new primary schools; areas of public open space and strategic landscaping, incorporating new formal Sports Pitches, and combined community facility and Pavilion and parking and new allotments; the provision of the Towcester Relief Road connecting the A5T to the A43T; surface water/flood management works and necessary related engineering works for drainage and services	APPROVED March 2015
S/2016/0061/CON D	Approval of Design Code relating to this part of the development	APPROVED A March 2016

5. RELEVANT PLANNING POLICY AND GUIDANCE

Statutory Duty

- 5.1. Planning law requires that applications for planning permission must be determined in accordance with the development plan unless material considerations indicate otherwise.

Development Plan

- 5.2. The Development Plan comprises the West Northamptonshire Joint Core Strategy Local Plan (Part 1) which was formally adopted by the Joint Strategic Planning Committee on 15th December 2014 and which provides the strategic planning policy framework for the District to 2029, the adopted South Northamptonshire Local Plan (Part 2) and adopted Neighbourhood Plans. The relevant planning policies of the statutory Development Plan are set out below:

- POLICY NE3: Green infrastructure corridors
- POLICY NE4: Trees, woodlands and hedgerows
- POLICY NE5: Biodiversity and geodiversity

Material Considerations

5.5. Below is a list of the relevant Material Planning Considerations

- SNC adopted supplementary planning guidance (SPGs) and documents (SPDs)
- Towcester South Design Code (residential phases 1-5): The outline planning permission required the approval of a Design Code for all phases of development within the SUE. The Design Code approved on 18th March 2016 (ref: S/2016/0061/COND) covers phases 1-5 of the SUE, including all of the current reserved matters proposals.
- Towcester Masterplan: The Council adopted the Towcester Masterplan in March 2011. The Masterplan identifies the application site as one of the Key Opportunity Sites in the town (Site TE – Towcester South and Site TH – Southern Gateway)

to bring forward a mixed-use development of housing and employment of up to 3300 houses and 3000 jobs.

- The Planning (Listed Buildings and Conservation Areas) Act 1990
- EU Habitats Directive
- Natural Environment and Rural Communities Act 2006
- Conservation of Habitats and Species Regulations 2017
- Circular 06/2005 (Biodiversity and Geological Conservation)
- Human Rights Act 1998 (“HRA”)
- Equalities Act 2010 (“EA”)

6. RESPONSE TO CONSULTATION

Below is a summary of the consultation responses received at the time of writing this report. Responses are available to view in full on the Council’s website, via the online Planning Register.

Consultee Name	Position	Comment
Towcester Town Council	Object	<p>Echo the comments from NHS Northamptonshire (see below) regarding capacity of existing health facilities.</p> <p>Believe that, in light of the climate emergency and the time which has passed since submission of the original application, energy efficiencies (solar panels, etc.) MUST now be considered as a priority.</p> <p><i>Officer note: It is not possible to introduce additional requirement for sustainable measures, at the reserved matters stage, above and beyond those required at outline stage. A request to amend a design to accord with other legislation (such as building regulation which may include solar panels and electric car charging) can be considered which the Officer may then assess in line with the original outline permission and Design Code.</i></p>
WNC Environmental Protection	No objection	Note that conditions relating to construction management, contaminated land noise and odour already existing on the outline permission, so have no further comment.
WNC Highways	No objection	<p>Comments as follows:</p> <ul style="list-style-type: none"> • Please remove the block paved feature from the main Spine Road. • Please ensure that end bays within parking courts have additional width to manoeuvre, please amend site-wide.

		<ul style="list-style-type: none"> The parking layout for dwellings 1032-1034 is not ideal
WNC Strategic Housing	No objection	Are happy that the proposed affordable housing is in accordance with the requirements of the outline permission, is tenure blind and appropriately pepper-potted
WNC Ecology	N/A	No response received at the time of writing this report.
WNC Arboriculture	N/A	No response received at the time of writing this report.
NHS Northamptonshire	No objection	Request a financial contribution for healthcare facilities serving the development. <i>(Officer note: It is not possible to request S106 contributions as part of this reserved matters application. A financial contribution for Healthcare provision is already secured via the S106 tied to the outline permission.)</i>
Crime Prevention Design Advisor	No objection	The layout complies in the main with designing out crime guidance with back-to-back gardens and on plot parking apart from one parking court which has marginal overlooking. I note the contents of the section on crime prevention which details that on plot parking is under surveillance from a routinely inhabited rooms.
Lead Local Flood Authority	N/A	No response received at the time of writing this report.
Wood Burcote Residents' Association	N/A	No response received at the time of writing this report.

7. RESPONSE TO PUBLICITY

No third party and neighbour responses have been received at the time of writing this report.

8. APPRAISAL

The key issues for consideration in this case are:

- Provision of affordable housing
- Compliance with the approved Design Code
- Highways and parking

- Impact upon Residential Amenity (neighbours and units within the site)

Provision of affordable housing

- 8.1. The requirement for affordable housing on this development is 10%. The scheme provides 14 affordable units, which complies with that requirement. Overall, the development remains on track to achieve 10% affordable housing across the whole SUE.
- 8.2. The affordable units on this parcel are in 2 clusters, one comprising 10 units, the other containing 4 units. Cluster sizes of up to 20 units are acceptable on a major development of this scale.

Design and compliance with Design Code

- 8.3. The proposed scheme utilises house types already widely approved on previous phases/parcels of the development. These fully comply with the Design Code, represent a high standard of design and are acceptable.
- 8.4. The overall layout is well designed, providing positive connectivity between streets and clear legibility.

Highways and parking

- 8.5. The parking provision fully complies with the approved Design Code and means that adequate parking will be provided. The parking is all arranged in a manner convenient to future occupants, thereby minimising inconsiderate on-street parking or parking congestion.
- 8.6. In response to the comments received from Highways:
 - The block paved feature has been removed from the main Spine Road in the amended site layout plan.
 - The manoeuvring space for end bays within parking has been adjusted so far as possible.site-wide.
 - The parking layout for dwellings 1032-1034 is not ideal but is considered satisfactory and should function well in practice.
- 8.7. In light of the above, the highway and parking layout is considered satisfactory.

Impact on Protected Species

- 8.8. Ecological mitigation site-wide is covered by a condition on the outline planning permission. The proposal should ensure that it accords with the detailed mitigation measures and enhancements outlined in the Environmental Statement and Green Infrastructure Strategy that was submitted with the outline application and the approved site wide Ecological Mitigation and Enhancement Plan (EMP) by BSG ecology dated 22nd May 2017.

Impact upon residential amenity (neighbours and units within the site)

- 8.9. The parcel is separated from other parcels (and the dwellings thereon, by linear open space, so no harm to amenity would occur.
- 8.10. Within the site itself, all units are provided with adequate privacy and a suitable private garden, commensurate with the size of unit served.

Surface Water Drainage

- 8.11. Although no response has been received from the Lead Local Flood Authority, surface water drainage is covered by condition 12 on the outline permission (S/2007/0374/OUTWNS). The development will plug into the site-wide Sustainable Drainage System (already largely approved), with no SUDs infrastructure (swales, basins, etc.) being located within this application area.
- 8.12. Therefore, it is considered that reserved matters approval can be granted in this instance without the LLFA's response.

9. FINANCIAL CONSIDERATIONS

- 9.1. CIL is not applicable to this development, as the outline permission pre-dates the implementation of CIL.

10. PLANNING BALANCE AND CONCLUSION

- 10.1. The application comprises the reserved matters for a sub-phase of 138 dwellings within the SUE.
- 10.2. The proposal is in general accordance with the approved Design Code for the respective phase of the sustainable urban extension. The house types all accord with the dimensions and characters set out in the Code, as does the parking provision, road hierarchy and road dimensions.
- 10.3. The architectural detailing of the house types is also in general accordance with the Code.
- 10.4. The proposal is considered to incorporate a suitable means of access and movement, as well as give suitable regard to trees and hedges, ecology, flooding and residential amenity.
- 10.5. Overall, therefore, the proposal is considered acceptable, to accord with the Development Plan, and is recommended for approval

11. RECOMMENDATION / CONDITIONS AND REASONS

- 11.1. Detailed recommendation here and full list of conditions and reasons here

RECOMMENDATION – DELEGATE TO THE HEAD OF PLANNING DELIVERY TO GRANT PERMISSION, SUBJECT TO THE CONDITIONS SET OUT BELOW (AND ANY AMENDMENTS TO THOSE CONDITIONS AS DEEMED NECESSARY)

CONDITIONS

TIME LIMITS AND GENERAL IMPLEMENTATION CONDITIONS

Approved plans

1. The development shall not be carried out otherwise than in complete accordance with the approved plans unless a non-material amendment is approved by the Local Planning Authority under the Town and Country Planning (Development Management Procedure) (England) Order 2015. The approved plans are: [TBC]

Reason: To clarify the permission and for the avoidance of doubt.

Levels

2. No development shall take place until details of all finished floor levels in relation to existing and proposed site levels and to the adjacent land and road levels have been submitted to and approved in writing by the Local Planning Authority. The development hereby permitted shall be constructed in accordance with the approved levels.

Reason: In order to safeguard the visual amenities of the area in accordance with advice within Section 12 of the National Planning Policy Framework. This information is required prior to commencement of the development as it is fundamental to the acceptability of the scheme.

Boundary treatments

3. No dwelling shall be constructed above slab level until full details of the enclosures along all boundaries and within the site (including how they respond to changes in ground level) have been submitted to and approved in writing by the Local Planning Authority and such means of enclosure, in respect of those dwellings which it is intended shall be screened, shall be erected prior to the first occupation of those dwellings.

Reason: To ensure the satisfactory appearance of the completed development, to safeguard the privacy of the occupants of the existing and proposed dwellings and to comply with Policy SS2 of the South Northamptonshire Part 2 Local Plan.

External lighting

4. No dwelling shall be constructed above slab level until details of the external lighting (street lighting and any lighting to shared driveways, parking courts and public open space), including the design, position, orientation and any screening of the lighting, has been submitted to and approved in writing by the Local Planning Authority. The lighting shall be installed and operated in accordance with the approved scheme at all times thereafter.

Reason: In order to safeguard the visual amenities of the area in accordance with Policy SS2 of the South Northamptonshire Part 2 Local Plan.

Architectural detailing

5. Notwithstanding the details shown on the approved plans, further details of the architectural detailing of the exterior of the dwellings, including the windows, doors, cills, heads/lintels, door surrounds, chimneys, porches, bays, dormers, eaves and verge treatments shall be submitted to and approved in writing by the Local Planning Authority prior to the construction of the building above slab level. The development shall thereafter be carried out in accordance with the approved details.

Reason: In order to safeguard the visual amenities of the area in accordance with Policy SS2 of the South Northamptonshire Part 2 Local Plan.

Meter boxes

6. Full details of the siting, appearance and colour of any electricity or gas supply meter housings to be located on the external elevations of the buildings shall be submitted to and approved by the Local Planning Authority prior to the construction of the building above slab level. The development shall thereafter be carried out in accordance with the approved details

Reason: In order to safeguard the visual amenities of the area in accordance with Policy SS2 of the South Northamptonshire Part 2 Local Plan.

Provision of parking areas

7. The garages/parking spaces/turning areas shown on the approved plan(s) shall be constructed, drained, surfaced and completed in accordance with details that have been previously submitted to and approved in writing by the Local Planning Authority before the dwelling is occupied and shall not thereafter be used for any purpose other than the garaging parking/turning of private motor vehicles.

Reason: In the interests of highway safety, to ensure the provision of adequate off-street car parking and to comply with Policy SS2 of the South Northamptonshire Part 2 Local Plan.

Surfacing

8. Prior to the construction of any building above slab level, details of the proposed materials for the surfacing of the parking courts, mews streets, driveways and shared manoeuvring areas shall be submitted to and approved in writing by the Local Planning Authority. The development shall thereafter be carried out in accordance with the approved details.

Reason: In the interests of highway safety and visual amenity and to comply with Policy SS2 of the South Northamptonshire Part 2 Local Plan.

Shared driveway dimensions

9. Prior to first occupation of any dwelling hereby permitted that is accessed via a shared drive, the respective shared drive shall be a minimum width of 4.5m for a distance of at least 10 metres from the highway boundary and the maximum gradient over that distance shall not exceed 1 in 15.

Reason: To ensure that an adequate and safe access is provided to the site in accordance with policy SS2 of the South Northamptonshire Part 2 Local Plan.

Alley gates

10. Prior to the first occupation of the respective dwellings, all private access alleyways to rear gardens (including individual and shared alleyways) shall be

gated with a 1800mm tall gate at the end nearest the highway/shared parking court and shall be lockable/un-lockable from both sides using a mortice lock.

Reason: In the interest of security and crime prevention and in accordance with Policy SS2 of the South Northamptonshire Part 2 Local Plan.

Handrails

11. Should any handrails be required to facilitate pedestrian access to any building hereby permitted (to accord with the Building Regulations), details of the location, height, design and material of the handrail(s) should be submitted to and approved in writing by the Local Planning Authority prior to the commencement of that work. The handrails shall thereafter be carried out in accordance with the details hereby approved.

Reason: In the interests of visual amenity and to accord with Policy SS2 of the South Northamptonshire Part 2 Local Plan.

Landscaping maintenance

12. All planting, seeding or turfing comprised in the approved details of landscaping shall be carried out in the first planting and seeding seasons following the occupation of the respective building(s), or in accordance with any other program of landscaping works previously approved in writing by the Local Planning Authority and shall be maintained for a period of 5 years from the completion of the development. Any trees and/or shrubs which within a period of five years from the completion of the development die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species, unless the Local Planning Authority gives written consent for any variation.

Reason: To ensure that the agreed landscaping scheme is maintained over a reasonable period that will permit its establishment in the interests of visual amenity and to accord with Policy SS2 of the South Northamptonshire Part 2 Local Plan.

Black frames

13. All plots to be fitted with black windows shall also have a black frame to all their external doors, which shall be fitted prior to first occupation of the respective dwelling.

Reason: In the interests of visual amenity and to accord with Policy SS2 of the South Northamptonshire Part 2 Local Plan.

Removal of PD for boundaries on sensitive plots

14. Notwithstanding the provisions of Class A of Part 2, Schedule 2 of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any order revoking or re-enacting or amending that order) and the means of enclosure approved by this application, no gate, fence, wall or other means of enclosure shall be altered, erected, constructed or placed on plots 971, 978-

986, 988, 999, 1000, 1005, 1008, 1015-1022, 1028, 1029, 1039-1051, 1058, 1059, 1066, 1068, 1079-1087, 1096-1099, 1102, 1104-1108 that is forward of the principal elevation (or the flank wall of a dwelling at the junction of two roads or a road and shared private drive) at any time, without the prior express planning permission of the Local Planning Authority.

Reason: In order to retain the open character of the development and area in accordance with Policy SS2 of the South Northamptonshire Part 2 Local Plan.
