1.1.   To provide members with an update on the 5 Year Joint Forward plan.

2.   Executive Summary

2.1   This report provides members an overall position of the Joint forward plan and provides summary of the outline of the strategy.

2.2   This guidance published supports integrated care boards (ICBs) and their partner NHS trusts and foundation trusts to develop their first 5-year joint forward plans (JFPs) with system partners.

2.3   The National Health Service Act 2006 (as amended by the Health and Care Act 2022) requires ICBs and their partner trusts (the ICB's partner NHS trusts and foundation trusts are named in its constitution) to prepare their JFP before the start of each financial year.
