Good afternoon

I will be happy to attend if needed.

Since the venue has changed management, they are attracting a younger noisy crowd.

Being a hotel we have bedrooms overlooking their gardens.

The hotel has a resident late licence, our bar is on the front of the hotel and closes at midnight.

They have drink promotions encouraging binge drinking, and this is leading to people being sick which we have to clean up on Sunday morning before we can open

Kind regards

Shaun melson

Good afternoon,

Thank you for your email with regards to your objection to TGR Bar and Restaurant.

The Council have not been made aware of any previous noise complaints, and as such we have no history recorded for this.

Have you ever reported any noise pollution to us? I can confirm that our colleagues in Health Protection have been consulted as the experts in the field and have no objection to the variation.

The variation application for TGR are very similar to the Unicorn Hotel.

Please confirm on which grounds you like to raise your objection?

Please confirm if you would attend a hearing to raise your objections if your objections are deemed valid?

We need this confirmation not later than close of business today as consultation ends today, Monday 14 June 2021.

Kind regards,

Sabine Jones

Subject: The green room Brackley

Dear sir,

I wish to object to the green room extending their hours.

I am the manager of the unicorn hotel next door. Since reopening at the weekend the noise level has increased, the drunks comming out and throwing up. We are in a residential area and conservation area of the town.

I live in a house behind the hotel and the level of noise is unacceptable,as is at the moment. I have had to refund money to guests already.

Kind regards

Good Afternoon

There have been no complaints as we have just recently opened they seem to have just changed there clientele to focus on the younger crowd with drink offers all you can drink prosecco etc at the moment they are spilling over onto the street, and this is with current Covid restrictions which in the future when they are lifted it will be a lot worse

We have 5 hotel bedrooms along the wall of the premises which if there were drinking until late will impact our business

Our license is hotel license for residents late on and i clearly remember that licensing were very strict with us, our bar is facing the grass with nothing around apart from hotel rooms and we had objections at the time from houses over 100 metres away therefore our license was very strict

happy to discuss or attend meetings if you like

Kind Regards

Subject: TGR Bar and restaurant variation of license request

Dear Sir

I wish to object to TGR Bar and restaurant request to extend their hours. As the owner of the Unicorn Hotel 10 Bridge Street our building is right next door we have guest bedrooms facing the premises building and garden and it's not appropriate to have noise at that time of the night when we have paying customers staying at the hotel. since there has been a change of management and clientele, we are already having a lot of complaints as the hours are at the moment never mind if they extend it further. Now they are spilling out onto the street throwing up breaking glasses therefore any extension will just make it worse therefore totally unacceptable request.

Kind Regards

Dear Sir,

With refinance to the TGR Bar & Restaurant, Brackley.

They are located in a residential area of the town, a 1am or 2am license would cause great upset to the local residents due to noise pollution ,

Unruly behaviour and during covid times lack of social distancing.

When I finish work, and go home to sleep the loud music at present keeps me awake, and when I am on a 12 hour shift this does not help.

Please consider the local people, the area and the outcome if this was to go ahead.

Thanks
