Further Information

(A) Statutory Business

PFCC's Annual Report and Fire and Rescue Statement – The Police, Fire and Crime Commissioner (PFCC) is required to produce an Annual Report on the exercise of the PFCC's police and crime functions during the previous financial year and the progress made in meeting objectives set out in the PFCC's Police and Crime Plan. The PFCC is also required to publish an annual statement of assurance of compliance with the priorities set out in the Fire and Rescue National Framework for England. The Panel must review and report on both the Annual Report and Fire and Rescue Statement as soon as practicable after they are received.

PFCC's proposed Police and Fire and Rescue precepts – The PFCC's proposed precepts must be reviewed and reported on by the Panel before they can be issued. The Panel has the power to veto a proposed precept, in which case the PFCC is required to produce a revised proposal that must also be reviewed by the Panel at the reserve meeting included in the outline work programme (if the Panel does not veto either of the proposed precepts the reserve meeting will not be held). The steps involved in this process must take place by specific deadlines set in legislation.

(B) Discretionary Business

PFCC's Delivery Update – This is a regular report setting out actions by the PFCC supporting progress towards the delivery of the strategic outcomes set out in his Police, Fire and Crime Plan. The Delivery Update also includes contextual information about Northamptonshire Police and Northamptonshire Fire and Rescue Service performance.

PFCC's Finance Updates – These are two regular reports setting out the latest in-year position for the budgets for policing and the Office of the PFCC and for the budget for the Northamptonshire Commissioner Fire and Rescue Authority.

Joint Independent Audit Committee Annual Report – The Joint Independent Audit Committee (JIAC) is responsible for providing independent assurance of the corporate governance, risk management and financial control arrangements operated by the PFCC and the Chief Constable. The JIAC's Annual Report is customarily presented by its Chair to the Panel, to reflect the complementary roles of the two bodies.

(C) Business relating to Panel operation

Complaints and conduct matters update – The Panel has adopted specific arrangements to carry out its responsibilities for dealing with complaints and conduct matters relating to the PFCC. These include the provision by the host authority Monitoring Officer of a half-yearly monitoring report about all matters dealt with in the preceding period. In this way the Panel is able to monitor the operation of the arrangements it has made to deliver this aspect of its statutory responsibilities.

Recruitment of independent co-opted members – The Panel is required to include a minimum of two independent co-opted members in its membership and has previously secured approval from the Home Secretary to increase this to three. The co-option of independent members is intended to assist in supporting the aim that the membership of the Panel, when taken as a whole, has the skills, knowledge and experience necessary to enable it to carry out its functions effectively. Independent co-opted members should be drawn from the local community through an open recruitment and selection process. The sitting independent co-opted members of the Panel were appointed in 2020 for a four-year term running until the day before the date of the first Panel meeting in the 2024/25 municipal year. The Panel will need to consider arrangements to advertise for and recruit independent co-opted members to join the Panel from this point.

(D) Potential business for consideration

Topics identified by the previous Panel – The previous Panel made the following resolutions during the course of its work in 2022/23 identifying potential topics for scrutiny in the future:

- To request the PFCC to provide sight of action plans developed to address areas for improvement in service delivery by Northamptonshire Fire and Rescue Service as identified in the HMICFRS 2021/22 inspection (: Panel meeting on 8 September 2022)
- To request the PFCC to present a report on the outcomes of the recent IPSOS Mori public consultation exercise on community safety in Northamptonshire (: Panel meeting on 2 February 2023)
- To request the PFCC to present a report on the new version of the PFCC’s full Estates Strategy (: Panel meeting on 20 April 2023)
- To request the PFCC to present a report on the local impact of implementing the Serious Violence Duty under the Police, Crime, Sentencing and Courts Act 2022 (: Panel meeting on 20 April 2023)
- To request the PFCC to present a report on the local impact of delays in the Criminal Justice System (: Panel meeting on 20 April 2023)

Task and finish work on early intervention – The previous Panel agreed to include in its work programme for 2022/23 a piece of focussed task-and-finish work on early intervention activity with young people at risk of becoming involved in criminal activity in Northamptonshire. A working group was appointed for this purpose and met several times during the first half of 2023. The working group was originally tasked with presenting its final draft report to the Panel meeting on 20 April 2023. However, the Panel subsequently concluded that additional time needed to be allocated to this work. The Panel therefore agreed that the final draft report could be presented at the start of 2023/24. The latest position on this work can be confirmed at the current Panel meeting.

Briefings with the Chief Constable and Chief Fire Officer – The Panel has previously sought to include in its work programme briefing sessions, held at least annually, with the Chief Constable of Northamptonshire Police and the Chief Fire Officer of Northamptonshire Fire and Rescue Service. These sessions are intended to give an overview of the operating environment for the two organisations and their key priorities and challenges, to help to inform the Panel in carrying out its role of scrutinising and supporting the PFCC. The previous Panel met with both chiefs on 27 May 2022 and again with the Chief Constable on 1 December 2022.

Development of the PFCC's proposed precepts and budgets – The Panel usually holds a workshop session with the PFCC and the OPFCC Chief Finance Officer in January of each year to consider the financial environment and key factors informing the development of the PFCC's budget and precept proposals. This session feeds into scrutiny of the final proposals by the whole Panel at its formal meeting in February.

Other briefings or training for Panel members – It is open to the Panel to identify any other topics for briefing sessions that would inform it in scrutinising and supporting the PFCC. Similarly, the Panel may wish to consider whether there is any other training or support that could assist it to carry out its role effectively.
