

# Carers

# **Current Carer Support Provider Model**

- Northamptonshire Carers are the provider
- Contracted on behalf of WNC by NNC
- Two year contract from 1st October 2022
- The Service has delegated authority to undertake the Council's statutory duties for Carers as described in The Care Act 2014
- Includes carer assessments, quality of life improvements, respite, crisis support, wellbeing, information and training
- Some issues around low numbers of Direct Payments being looked into
- The KPI report (Jan-Mar 2023) didn't have any review data.
- Oct-Dec 22 review column also empty asked provider to complete
- Blanks: It is not clear if people refuse an assessment, or they just aren't informed, so commissioners requested that a refusal is recorded
- Quality of life tool currently used locally developed. Evidence based needed.
- The provider's website did not state that it is a commissioned service

# Interim guidance on our approach to local authority assessments

Assessing how local authorities discharge their duties under Part 1 of The Care Act (2014)

Note: We will expand and update this interim guidance in collaboration with stakeholders as we develop our model and transition to ongoing assessment.

February 2023

### Supporting councils with Care Quality Commission (CQC) assurance as it relates to unpaid carers

This resource was commissioned by the Association of Directors of Adult Social I his resource was commissioned by the Association of Directors of Adult Sociation of Directors of Services (ADASS) Carers Group, and co-produced by a small working group including councils, Carers UK, Carers Trust, National Institute for Health and Care Excellence (NICE), an unpaid carer and Partners in Care and Health officers. It Excellence (NICE), an unpaig carer and Partners in Care and Pleasing of the builds on what CQC have published to date about their approach to assess the care and pleasing their duties under the Care Act (2014). 2.CQC published timelines

Phase One From 1 April 2023  Initial 'baseline' assessments for all councils underway – by councils, and building are, exploring the assurance.	
phased approach with focus on developing the assurance by councils, and building relationships  CQC will undertail.

benchmark baseling assessment as	1
Phase Three  Ongoing assessment as part of business and from Sept to Nove evidence and control of the sept to Nove evidence assessments with a sept to Nove evidence assessment as part of business as a second	1

### essment as part of business as usual.

- benchmarking councils against each quality statement
- evidence collection both on and off site, including by Experis by Experience evidence collection both on and on site, including by Experts by Experience utilising six categories of evidence (see below) as appropriate, depending on which quality
- statement is peing assessed people's experience is a required evidence category for **all** quality statements when accessing councils and is wainhted as highly as other courses of cuidance. people's experience is a required evidence category for **an** quality statements assessing councils, and is weighted as highly as other sources of evidence considerable as a required evidence must likely to have inequilable

assessing councils, and is weighted as nightly as other sources or evidence considering the experiences of unpaid carers most likely to have inequitable access, experiences or outcomes from care examining how councils encourage, enable and act on feedback from unpaid carers who draw on exposit including from page 18 who face commitmication harriage and how they examining now councils encourage, enable and act on reedback from unpaid carers who draw on support, including from people who face communication barriers, and how they carer support carries and experience. draw on support, including from people who face communication partiers, and now in work with them as equal partners to improve carer support, services and experience.

# People at the Heart of Care: adult social care reform' policy paper

- I know where to find user-friendly information and advice that is inclusive of my communication and accessibility needs to make informed and empowered decisions about my life now and in the future.
- I know what my rights are and can get information and advice on all the options for my health, care and housing.
- I understand the support that is available to me in my area to maintain my own health and wellbeing and achieve the outcomes that matter to me.
- I am provided with tailored information and advice to support the person I care for.
- CQC have their own 'I' statements taken from TLAP Making it Real (2018)
- Form part of the Peoples' Experience section of evidence
- CQC will use it's six categories of evidence

- 1. People's experiences
- 2. Feedback from council staff and leaders
- 3. Feedback from partners
- 4. Observation (N/A to councils)
- 5. Processes
- 6. Outcomes

- Unpaid carer data
- People's experience of care, how councils learn from it, and respond to it
- Knowing what 'good' looks like
- Co-production
- Equity
- Safe and effective processes

Care Act 2014 accessed June 2023

The Care Act sections that relate to carers are in the yellow bars	
The blue areas are for guidance and clarity and do not need completing	
The white areas are the sections that need populating with evidence	
Rag-rate each response for a quick view of areas that need to be part of an improvement	action plan for  Right-click and select clear contents to reset these box
Evidence could be collected from strategies, service specifications, policy, c individuals/groups that can give examples from practice.	ase notes or

2 Preventing needs for care and support			
(1) A local authority must provide or arrange for the provision of services, facilities or resources, or take other steps, which it considers will—			
(b) contribute towards preventing or delaying the development by carers in its area of needs for support;			
(d) reduce the needs for support of carers in its area			
2) In performing that duty, a local authority must have regard to—	***	***	
(a) the importance of identifying services, facilities and resources already available in the authority's area and the extent to which the authority could involve or make use of them in performing that duty;			
(c) the importance of identifying carers in the authority's area with needs for support which are not being met (by the authority or otherwise).			
3 Promoting integration of care and support with health services etc		*	
1) A local authority must exercise its functions under this Part with a view to ensuring the integration of care and support provision			
with health provision and health-related provision where it considers that this would—			

(c) the importance of identifying carers in the authority's area with needs for support which are not being met (by the authority or			
otherwise).			
3 Promoting integration of care and support with health services etc			
1) A local authority must exercise its functions under this Part with a view to ensuring the integration of care and support provision			
with health provision and health-related provision where it considers that this would—			
(a) promote the well-being of adults in its area with needs for care and support and the well-being of carers in its area,			
(b) contribute to the prevention or delay of the development by adults in its area of needs for care and support or the development			
by carers in its area of needs for support, or		: :	
(c) improve the quality of care and support for adults, and of support for carers, provided in its area (including the outcomes that are			
achieved from such provision).			
(2) "Care and support provision" means—			
(b) provision to meet carers' needs for support, and			
(c) provision of services, facilities or resources, or the taking of other steps, under section 2.			
4 Providing information and advice			

3 Promoting integration of care and support with health services etc	*	*	
1) A local authority must exercise its functions under this Part with a view to ensuring the integration of care and support provision			
with health provision and health-related provision where it considers that this would—			
(a) promote the well-being of adults in its area with needs for care and support and the well-being of carers in its area,			
(b) contribute to the prevention or delay of the development by adults in its area of needs for care and support or the development			
by carers in its area of needs for support, or	:		
(c) improve the quality of care and support for adults, and of support for carers, provided in its area (including the outcomes that are			
achieved from such provision).			
(2) "Care and support provision" means—	***	***	
(b) provision to meet carers' needs for support, and			
(c) provision of services, facilities or resources, or the taking of other steps, under section 2.			
4 Providing information and advice			
(1) A local authority must establish and maintain a service for providing people in its area with information and advice relating to care			
(2) The service must provide information and advice on the following matters in particular—			
(a) the system provided for by this Part and how the system operates in the authority's area,			
(b) the choice of types of care and support, and the choice of providers, available to those who are in the authority's area,			
(c) how to access the care and support that is available,			
(d) how to access independent financial advice on matters relevant to the meeting of needs for care and support, and			
(e) how to raise concerns about the safety or well-being of an adult who has needs for care and support.			
(3) In providing information and advice under this section, a local authority must in particular—			
(a) have regard to the importance of identifying adults in the authority's area who would be likely to benefit from financial advice on			

by carers in its area of needs for support, or		
(c) improve the quality of care and support for adults, and of support for carers, provided in its area (including the outcomes that are		
achieved from such provision).		
(2) "Care and support provision" means—		
(b) provision to meet carers' needs for support, and		
(c) provision of services, facilities or resources, or the taking of other steps, under section 2.		
4 Providing information and advice		
(1) A local authority must establish and maintain a service for providing people in its area with information and advice relating to care		
(2) The service must provide information and advice on the following matters in particular—		
(a) the system provided for by this Part and how the system operates in the authority's area,		
(b) the choice of types of care and support, and the choice of providers, available to those who are in the authority's area,		
(c) how to access the care and support that is available,		
(d) how to access independent financial advice on matters relevant to the meeting of needs for care and support, and		
(e) how to raise concerns about the safety or well-being of an adult who has needs for care and support.		
(3) In providing information and advice under this section, a local authority must in particular—

Valuing Carers as Equal & Expert Partners in Care...

# Northamptonshire All Ages Integrated Carers Support Strategy 2023-2027

# West Northamptonshire Council Carer Strategy

- CQC inspections: many councils developing their own strategy
- Strategy to be specifically developed for the WNC population and the needs of its people but will align with the Northamptonshire carers strategy
- Production of an implementation plan
- Involve co-production with carers, include staff Carers Network
- Stakeholder engagement with contracted provider and the NHS
- Engagement events around the patch
- Consultation on the draft strategy
- Use of national carer survey data (going out 01/10/23)
- Aimed at improving outcomes and wellbeing for the carers and cared for of WNC
- NNC want to follow a similar engagement process for their strategy

# **Engagement & Task & Finish Group**

- Engagement plan being finalised with Communications & Engagement Team
- Hold an event in every LAP
- Some specialist carer events for LD, autism and dementia carers
- Microsoft Teams event in the evening and at a weekend
- Events asking, What works well, What does not and What would carers do if they could improve support for carers?

### Scrutiny Task & Finish Group request

- Benefit of councillor support
- Local knowledge of carer issues and potential gaps in support
- Support for their respective LAP engagement events
- Guidance on the strategy development
- Part of the coproduction with residents of WNC
