4. Report Background

- 4.1 One of the core functions of the Pension Committee is to ensure the effective and efficient governance and administration of the Northamptonshire Pension Fund. This report demonstrates a number of key areas of administration performance for consideration by the Pension Committee.

5. Issues and Choices

5.1 Key Performance Indicators

- 5.1.1 The Pension Committee has previously agreed a set of key performance indicators (KPIs) to assess the performance of the Pensions Service in the delivery of key items of casework. The actual performance against these KPIs for the period 1 May to 31 July 2021 can be found in appendix A along with the explanations for any underperformance.
- 5.1.2 The majority of the targets have been met and/or exceeded with consistent above target performance in 4 areas for the period. Payment of pension benefits from deferred membership status has not achieved the desired level for the period but has been addressed as detailed in Appendix A.

5.2 Receipt of employee and employer contributions

- 5.2.1 Scheme employers have a statutory obligation to arrange for the correct deduction of employee and employer contributions and to ensure payment reaches the Pension Fund by the 19th of the month following the month of deduction. Providing an associated monthly statement/schedule in an acceptable format.
- 5.2.2 The table in appendix B shows the percentage of employers in the Northamptonshire Pension Fund who paid their employee and employer contributions and/or submitted their schedules on time or late for the payroll periods 1 July 2020 to 30 June 2021.
- 5.2.3 From 1 March to 30 June 2021 all scheme employers paid over their contributions on time. Over the course of 2020/21, a total of 99.5% of employers completed the pay-over by the due date. An average of 99.3% of employers submitted their payment schedules on time in the same time period.

5.3 Breaches of the Law

- 5.3.1 There are many laws relating to the Local Government Pension Scheme, with various individuals, including the Pension Committee and Local Pension Board (collectively and as individuals) having a statutory duty to report material breaches of those laws to the Regulator. The Northamptonshire Pension Fund maintains a record of both material breaches that are reported to the Pensions Regulator as well breaches that are deemed not to be of material significance and so are not reported to the Pensions Regulator.
- 5.3.2 For the period 1 May to 31 July 2021 the following breaches of the law occurred.

Type of breach	Detail of breach	Course of action
Material	None	n/a
Non-material	Two employers in the Fund failed to submit their year-end submissions by the statutory deadline.	The employers have been reminded of their statutory obligations and the breaches have been recorded on the internal breaches log.

5.4 Internal Dispute Resolution Procedure cases

5.4.1 Members, prospective members, and beneficiaries may not always agree with pension decisions that are made, or may be unhappy that decisions have not been made, by either an administering authority or a scheme employer. The Internal Dispute Resolution Procedure (IDRP) is the route by which they may raise their concerns and challenge such decisions.

5.4.2 In the period 1 May to 31 July 2021 the following administering authority disputes were either raised an/or responded to.

Nature of dispute	Stage 1 (adjudicated by the Head of Pensions)	Stage 2 (adjudicated by the Monitoring Officer)
