1. Purpose of Report

- 1.1 The remit of the Coordinating Overview and Scrutiny Group (the Group) includes the responsibility for approving the Work Programmes for the three Scrutiny Committees – Corporate, Place and People.
- 1.2 The relevant Overview and Scrutiny Committee shall consider any matter referred to it by the Leader/Cabinet and, having considered the matter, shall report to the Leader/Cabinet with comments and/or proposals. In the case of cross-cutting matters, the Co-ordinating Overview and Scrutiny Group may recommend a particular Overview and Scrutiny Committee considers such matters.

2. Executive Summary

- 2.1 Effective work programming establishes directed scrutiny of issues of local importance and ensures that Scrutiny adds value and makes a difference.
- 2.2 The Centre for Governance and Scrutiny (CfGS) states that an effective work programme is - central to effective scrutiny. Therefore, a good Scrutiny Work Programme ensures that the Committees are focussing on priority issues, making best use of both time and resources. The designing of a Work Programme for Scrutiny can promote public participation, transparency and demonstrate good governance.
- 2.3 Work Programming is the planning stage. Potential topics for scrutiny are identified for the year. These will be investigated either at a Committee meeting or through time limited Task and Finish Groups. It is typical for a long list to be drawn up initially that is reduced to a short list before a final work programme is approved.
- 2.4 The three Scrutiny Committees have each held their work programming events to consider issues and suggestions for potential scrutiny review and activity. Each Overview and Scrutiny Committee has met and agreed its work programmes which are attached at Appendix A, B and C for the Overview and Scrutiny Coordinating Group's consideration for approval. They should therefore be considered by the Group and commented on and agreed or amended so that they can be further developed if required. Should any proposed reviews be felt to be cross-cutting issues, the Group will decide which Scrutiny Committees would be responsible for these reviews.

3. Recommendations

- 3.1 It is recommended that:
 - 3.1.1 The Coordinating Overview and Scrutiny Group considers, for approval, the three Scrutiny Committee Work Programmes for 2021/2022 as set out at Appendix A, Appendix B and Appendix C.
 - 3.1.2 The Coordinating Overview and Scrutiny Group considers any potential cross-cutting review themes as detailed on the three Scrutiny Committee Work Programme for 2021/2022 as set out in Appendix A, Appendix B and Appendix C; and recommends a particular Scrutiny Committee(s) to consider the issue.
- 3.2 ***Reason for Recommendations***
 - 3.2.1 One of Overview and Scrutiny's key roles is to undertake focussed work programming in order that it is ensured that Scrutiny contributes actively to the Council's objectives.
 - 3.2.2 Each of the three Scrutiny Committees should have a Work Programme for the year, every year. The Overview and Scrutiny Coordinating Group, at its meeting on 6 September 2021, agreed that the Scrutiny Committees each would hold a Work Programming event to further develop the Work Programme for 2021/2022 and report back to a later meeting of the

Coordinating Overview and Scrutiny Group of further suggested items for inclusion within the Scrutiny Work Programmes.

4. Report Background

- 4.1 The CfGS advocates that scrutiny committees should agree a work programme at the start of each Municipal year, in order that issues can be scheduled for consideration and reports produced in a timely manner.
- 4.5.1 The Council's constitution states that the Overview and Scrutiny Committees will consult with other parts of the Council as appropriate, including the Cabinet, on the preparation of any work programme. Details of the consultation undertaken are detailed at section 6.5 of this report.
- 4.5.2 Each Scrutiny Committee – Corporate, Place and People has proposed a work programme for 2021/22 for consideration of the Overview and Scrutiny Coordinating Group.

5 Issues and Choices

- 5.1 Each of the Overview and Scrutiny Committees has agreed a work programme and these are appended to this report for the consideration of the Overview and Scrutiny Coordinating Group.

6.5 Consultation

Around sixty suggestions for future scrutiny review were proposed by the public. Cabinet Members attended the work programming events and informed the Overview and Scrutiny Committees of their key priorities for the year. Work Programming events took place during October 2021.

6.5.2 Following the work programme events, a work programme was considered and drafted for consideration of the Overview and Scrutiny Coordinating Group. Each Scrutiny Committee has a lead Executive Director assigned to it and they provided information and assistance to inform the short-term work programme. The Executive Director consulted the relevant Assistant Directors on the proposed Scrutiny topics in terms of timings and the proposed focus of the reviews. All comments received have been included within the work programmes. When the work programmes are approved, Cabinet Members will receive a copy.
