4. Report Background

- 4.1 Pursuant to s 101 of the Local Government Act 1972 and the Council's Constitution section 4.8 Para 1.1 the Pension Fund Committee's remit includes responsibility for dealing with all matters relating to the Northamptonshire Pension Fund Local Government Pension Scheme.
- 4.2 One of the core functions of the Pension Committee is to ensure the effective and efficient governance and administration of the Northamptonshire Pension Fund. This report demonstrates a number of key areas of administration performance for consideration by the Pension Committee.

5. Issues and Choices

5.1 Key Performance Indicators

- 5.1.1 The Pension Committee has in place a set of key performance indicators (KPIs) to assess the performance of the Pensions Service in the delivery of key items of casework. The actual performance against these KPIs for the period 1 May to 31 July 2022 can be found in appendix A along with the explanations for any underperformance.
- 5.1.2 Over the 3-month period, service performance has been consistently good with all targets being met with the exception of four.
- 5.1.3 In May and June, the targets were missed due to performance issues within the team that issue transfer in quotes that have since been addressed.
- 5.1.4 In June and July, there were resourcing issues within the team that deals with the payment of retirement benefits from active employment and payment of benefits from deferred membership status which resulted in targets being missed. There were three vacancies during this time and a period of sickness, two of the vacancies have now been filled with one new team member in place for July and the other for September, the remaining vacancy is currently being advertised.
- 5.1.5 **Receipt of employee and employer contributions**
- 5.2.1 Scheme employers have a statutory obligation to arrange for the correct deduction of employee and employer contributions and to ensure payment reaches the Pension Fund by the 19th of the month following the month of deduction. Providing an associated monthly statement/schedule in an acceptable format.
- 5.2.2 The table in appendix B shows the percentage of employers in the Northamptonshire Pension Fund who paid their employee and employer contributions and/or submitted their schedules on time or late for the payroll periods 1 July 2021 to 30 June 2022.
- 5.2.3 In April, May and June 2022 100% of payments were received on time. The current yearly average for payments made on time is 99.9% and schedules being received on time is 99.7%.
- 5.3 **Breaches of the Law**
- 5.3.1 There are many laws relating to the Local Government Pension Scheme, with various individuals, including the Pension Committee and Local Pension both (collectively and as individuals) having a statutory duty to report material breaches of those laws to the Regulator. The Northamptonshire Pension Fund maintains a record of both material breaches that are

reported to the Pensions Regulator as well breaches that are deemed not to be of material significance and so are not reported to the Pensions Regulator.

5.3.2 For the period 1 May to 31 July 2022 having regard to the above, the following breaches of the law occurred.

Type of breach	Detail of breach	Course of action
Material	None	None
Non-material	3 refund of contribution payments were paid outside of the statutory 5-year period.	No further action at this stage, it is likely that the legislation surrounding this will be amended to remove the 5-year requirement.

5.4 Internal Dispute Resolution Procedure cases

5.4.1 Members, prospective members, and beneficiaries may not always agree with pension decisions that are made or may be unhappy that decisions have not been made, by either an administering authority or a scheme employer. The Internal Dispute Resolution Procedure (IDRP) is the route by which they may raise their concerns and challenge such decisions.

5.4.2 In the period 1 May 2022 to 31 July 2022 no administering authority disputes were either raised and/or responded to.

5.4.3 In the period 1 May to 31 July 2022 no employing authority dispute were either raised and/or responded to.

5.5 Material Data Breaches

5.5.1 None.

5.6 Significant overpayments of pension

5.6.1 None.

6 Implications (including financial implications)

6.1.1 There are no resources or financial implications arising from the proposals.

6.2 Legal

6.2.1 There are no legal implications arising from the proposals, as it is the view of Officers having taken into account all relevant legislation/regulation that the breaches reported in section 5.3.2 would not constitute a material breach and for the purpose of reporting to the Pension Regulator.
